Incident Description

This morning at 8:11a.m. we were dispatched to a commercial vehicle roll-over at the roundabout at Avenida Centerville and 89A. Upon arrival we found a semi-truck pulling two trailers rolled onto its top in the north bound lane of 89A. A 36 year old male and 24 year old male were in the truck. They both were wearing seatbelts and they self-extricated. Neither of the men were complaining of pain; they refused medical treatment and transport to the hospital. The nose of the truck blocked one lane. The truck started to be removed from the roadway at approximately 10:30 a.m. Other agencies on scene were Verde Valley Ambulance Company and Clarkdale Police Department. Cottonwood Fire Department was cancelled in-route.
